

ACM | **APPLIED**
COATINGS & MAINTENANCE

Our promise...

Is to provide a pleasant, productive, safe & hassle-free refurbishment and maintenance experience - every time.

ACM Capability Statement

Who we are

Applied Coatings Specialist (trading as Applied Coatings and Maintenance [ACM]) has decades of experience in providing high quality maintenance, coatings and renovation solutions for both commercial and residential premises across Victoria.

Our positive, professional culture, with a 'nothing is too hard' attitude, means we put our clients' needs and wellbeing at the centre of every decision we make. All of our solutions are tailored to suit budget requirements and we pride ourselves on delivering stress-free solutions safely and on time, with minimal disruption on-site.

Our Mission

Our mission is to ensure excellence in all that we do.

We are committed to delivering 100% client satisfaction through high-quality, efficient and effective work delivered within budget and with absolute honesty and integrity.

Services

We realise that there is not a one-size-fits-all solution to residential property maintenance and building needs. That's why we listen first, then offer you the best solution for your budget. Using the latest technology, equipment, and highly trained staff, ACM provides a comprehensive range of refurbishment, restoration and renovation services.

Residential Division

ACM specialises in renovation, refurbishment and maintenance of residential properties, aged care and childcare facilities across Victoria. Our qualified tradespeople are knowledgeable in the latest methods, materials and safety protocols.

ACM is externally audited by CM3 and certified to comply with regress compliance to work with occupied dwellings.

Our residential division is focused on minor renovation, extension and refurbishment projects including rectification, insurance work, and fire and flood repair. We work closely with our clients to complete each project safely, on-time and on-budget.

Factory: 3/56 Export Dr, Brooklyn, Vic 3012

PO Box 43, Brunswick West 3055

We believe past performance is a great indicator of future performance, so please feel free to contact us so we can share our testimonials with you.

Recent project examples:

53 Pearson Street, Brunswick West.

This generous four bedroom Edwardian was certainly poised for an exciting new chapter. In a coveted lifestyle location, we took this proud old home from 'functional' to fabulous.

ACM Capability Statement

32 Junction Street, Newport.

This classic 4 bedroom Victorian was 'comfortable' and 'lived in'. Our sensitive restoration has brought it back to its former glory, with modern comforts and heritage styling.

ACM Capability Statement

21 Shirley Street, Altona Meadows.

This 70s brick family home was in dire need of joining the 21st century. Our expert tradespeople certainly left their mark on this one!

833-834 Esplanade Mornington

This lovely 1940s seaside dame was certainly a little weatherbeaten when we arrived. However her generous proportions and incredible views, have been enhanced by our clever renovations team.
